The Joshi Hotel Group has announced the opening of Home2Suites by Hilton near the Lehigh Valley International Airport.

The 117-suite hotel at 2011 City Line Road, Bethlehem is also close to SteelStacks, Coca-Cola Park and multiple companies including B-Braun Medical. The hotel is also a short drive to Lehigh Valley Hospital – Muhlenberg.

The pet-friendly hotel was designed for travelers who want to maintain their normal routine, said Shantelle Williams, general manager of the hotel. She said the hotel is tech-focused and boasts many eco-friendly amenities.

“I am excited to bring the Home2 Extended Suites concept to the Lehigh Valley,” said Shantelle Williams, General Manager. “Our proximity to Lehigh Valley International Airport, and Coca Cola Park as well as beautiful views of Blue Mountain to the North and South Mountain to the South will make the Home2 Suites Allentown-Bethlehem Airport a home away from home for all travelers.”

Rooms feature a fully accessorized kitchen and modular furniture that can be arranged to fill the individual needs of guests.

The hotel features complimentary internet, a combined laundry and fitness area, Home2 MKT for grab-and-go items, and a complimentary daily breakfast. There is also an outdoor/indoor saline pool, fire pit and grill area.
